MISSOURI DEPARTMENT OF REVENUE DECLARATION OF ESTIMATED TAX FOR CORPORATION INCOME TAX

GENERAL INSTRUCTIONS

1. CORPORATIONS REQUIRED TO FILE ESTIMATED TAX PAYMENTS: If your corporation is subject to income tax under Chapter 143, RSMo (including those with unrelated business taxable income and excluding qualified S corporations), your corporation is required to make estimated tax payments for the taxable year if your Missouri estimated tax can reasonably be expected to be at least \$250.00 (Section 143.521.2, RSMo). **Do not use Form MO-1120ES for S corporation shareholder composite returns.** Estimated tax payments may be applied to unpaid corporate income taxes and franchise taxes.

2. WHEN TO FILE AND PAY ESTIMATED TAX PAYMENTS: You must file the estimated tax payments along with Form MO-1120ES, on or before the 15th day of the 4th, 6th, 9th, and 12th months of the tax year. When the due date falls on a Saturday, Sunday, or legal holiday, the payment will be considered timely if made on the next business day. Payments must accompany the Form MO-1120ES. Your corporation will not receive a quarterly billing.

3. CHANGES IN TAXABLE INCOME: On April 15, 2002, your corporation may not be required to file an estimated tax payment. In the event a change in income later requires an estimated tax payment, the time for filing is as follows: June 15 if the change occurs after April 1 and before June 2; September 15 if the change occurs after June 1 and before September 2; December 15 if the change occurs after September 1. [These dates only apply to a calendar year corporation. For fiscal year corporations, complete the Estimated Tax Worksheet (Section 143.531, RSMo)].

PLEASE NOTE: Filing an estimated tax payment, amended estimated tax payment, or payment on the last installment date of the taxable year will not relieve the corporation of additions to tax for failure to pay the estimated tax by the designated due dates.

4. AMENDED ESTIMATED TAX PAYMENTS: If your corporation has filed an estimated tax payment(s) and later determines its estimated tax has substantially changed, the estimated tax payment that is to be filed on or before the next filing date, must reflect the amended figures. A worksheet is provided on the reverse side for determining the amended estimated tax.

5. ADDITIONS TO TAX FOR FAILURE TO PAY ESTIMATED TAX: Section 143.761, RSMo, provides for additions to tax for underpayment of estimated tax. Calculate the additions to tax and the applicable rate of interest from the date of the unpaid installment (Form MO-2220). Six percent (6%) interest will be charged on all delinquent payments for 2002. Additions to tax do not apply if each installment is paid timely, and the total amount of all payments of estimated tax made on or before the last date prescribed for payment of such installment equals or exceeds:

- 90% of the tax shown on the return (Form MO-1120) for the taxable year; or
- the tax shown on the preceding year's return, if the return showed a tax liability and was a taxable year of 12 months; or
- 90% of the tax on the annualized taxable income of periods from the first of the year to the end of the month preceding that, in which an installment is due; or
- 90% of the tax computed on the basis of the actual taxable income for the months in the taxable year ending before the month, that the installment is required to be paid as if such months constituted the taxable year; or
- the tax figured by using the current year's rates, but based on the prior year's return and the law that applied to the prior year; or
- 90% of the tax for the taxable year computed by placing on an annualized basis the taxable income for the months in the taxable year ending before the month, that the installment is required to be paid.

NOTE: Exceptions (b) and (e) do not apply to large corporations (defined in Section 143.761.6, RSMo, as one that in any of the three preceding taxable years had a federal taxable income of at least one million dollars and Missouri taxable income of at least one hundred thousand dollars). Please see Section 143.761, RSMo, and 12 CSR 10-2.067 for other exceptions provided by law and further clarification.

6. ROUNDING ON ESTIMATED TAX PAYMENTS: You must round all cents to the nearest whole dollar. For cents .01 through .49, round down to the previous whole dollar amount (round \$32.49 down to \$32.00) on the form. For cents .50 through .99, round up to the next whole dollar amount (round \$32.50 up to \$33.00) on the form. The zeros have already been placed in the cent columns.
